## Reclaimer Purchase & Installation Costs

The cost to install a reclaimer varies dramatically depending on factors that range from the total amount of returned concrete, the cost of the reclaiming equipment, foundation work, electrician, etc. Typically the overall cost of our reclaiming system with installation will range from \$15,000 - \$120,000 and up depending on the size and specifics of the project.

For a detailed quote, sizing recommendations or any other information on reclaiming equipment or installation please contact your local FESCO Direct Account Executive.
